

# Installation Dinner

Tuesday 11 October 2022

Fishmongers' Hall

The Master-elect invites members to the magnificent Fishmongers' Hall, by London Bridge to mark the start of his year. The Hall is famous for its fantastic architecture, splendid views across the Thames and the iconic portrait of Her Majesty by the then unknown Pietro Annigoni, which is now so valuable that it even has its own safe!

This is a brilliant opportunity to celebrate the Installations of new Master Richard Green, Senior Warden Kevin Parry and Junior Warden Ian Davies, along with the newly Clothed Freeman.

The evening will commence with a drinks reception; guests will then enjoy a three-course dinner with and an after dinner speech from Noel Quinn, who is sure to say some interesting things about the global economy and possibly how his career took him from qualifying as a Chartered Accountant to becoming the CEO of one of the largest banks in the world, HSBC.

Members can invite guests to join them at this celebration dinner.

**Tickets:** £124 per person
